## Meet the brand: Nestlé

This April, we are excited to offer you some great new promotions from Nestlé.

Nestlé is home to an extended range of brands from global icons to local favourites, offering delicious foods and beverages like KitKat, Aero and more.

## A note from the experts: Culinary and Dietetics

“Nestlé’s products are inviting for all ages. In moderation, items can be eaten as part of a balanced diet for enjoyment, especially during Easter! On some wards, they can be used as a good energy dense, snack option to increase calorie intake for some patients.” - Abigail Attenborough, Nutrition Compliance Manager.

“With Easter celebrations taking place, why not try Nestlé’s products as tasty cake / muffin toppers or folding into cookie dough mix so there’s some with every bite!” - Millie Morgan, Culinary Specialist.
