

NHS Supply Chain's Office Furniture Framework Agreement

Our Office Furniture Framework Agreement brings together an extensive range from 17 suppliers, including the market leaders. The core range, which includes bariatric products, has 166 office furniture items available from our suppliers. Our suppliers provide free advice and installation, including mobile and fixed shelving, to your specification.

Benefits of ordering through NHS Supply Chain

- Specialist knowledge and support
- Bespoke and tailored route for all your Office Furniture needs
- Support with one off purchases, bulk acquisitions or facilitate a refurbishment project
- Savings are available through refurbishing existing furniture, providing a fresh look without big costs.

If you have any upcoming projects, contact the Office Solutions team for the best value service.
